“Wish Upon a Star” Program Gets Underway

Juliette Manor’s new Resident-focused program “**Wish Upon a Star**” granted its first wish to Resident, Ed Fraser. The program is designed to fulfill simple wishes Residents have not been able to attain during their lifetime. Juliette Manor staff members uncover these wishes and attempt to grant them whenever possible.

Ed had the wish to attend a car show since he has a special place in his heart for old, classic cars. With the assistance of Berlin’s Street Cruisers Car Club we were able to grant Ed’s wish. Not only did he attend the car show with his family at Riverside Park on August 10th, but thanks to the help of Tim and Vicky Parsons, Ed got to participate in the August 9th evening car cruise. Ed rode in a 1929 restored hot rod owned by the Parsons. Ed’s smile through his tears of gratitude said it all.

Juliette Manor staff would like to personally thank the Street Cruisers for making this possible, especially Secretary Sherry Schultz who coordinated the project with us. Of course, a special “thanks” goes out to Tim and Vicky Parsons for their generosity in making our first wish granted exceed all expectations!
